Attorney-Client Privilege

Do Not Release Under FOIA

As promised, here's a clean version of the revised R-to-C. (Second attachment marked "CLEAN.") It accepts all the changes (and deletes all the marginal comments) indicated on the markup draft (also attached). I did this to give folks a "blank slate" upon which to make additional changes. As you do that, please refer to (1) the marginal comments on the 4/5/16 markup draft and (2) today's "road map" to keep track of the areas we discussed for possible bolstering.

Thanks everyone!

Jim
